SPEAKER • COACH • FACILITATOR

## Transform | Transition | Flourish

No, I don't bring my horse to work; but I do bring optimism, a growth mindset and an improved corporate culture to your work! My work is based on scientific research in positive organizational psychology – it's proven! A resilient, fulfilled workplace is a productive successful workplace. Salespeople sell more, people take less time off for illness, innovation and creativity grow.

I am an accredited Business and Positive Organizational Coach who leverages Positive Psychology and Experiential Learning to enhance workplace engagement.. I have spent over twenty years in leadership roles in several industries, most notably with large software vendors, giving and coaching complex presentations
